FLOOD ADVICE MESSAGE

The State Emergency Service advises that there is a risk of localised flooding for the Upper and Middle Onkaparinga River which may threaten your safety.

Locations which may be impacted include properties and roads upstream of the Mt Bold Reservoir.

The forecast rainfall will maintain high stream levels and could result in renewed rises in water levels and areas of localised flooding.

You should follow your Emergency Flood Plan now. Prepare your family and home for flooding in your area. Move items of value to a safe place.

Be aware that floodwaters may rise rapidly and are likely to be fast moving. Never allow children to play in or near floodwater. You should never walk, ride or drive through floodwater.

To view current warnings go to the Alert SA website at www.alert.sa.gov.au

For SES assistance during a flood phone 132 500. If the matter is life threatening call triple zero.

Monitor local conditions and listen to ABC radio for updates.

For what to do in a flood check the SES website at www.ses.sa.gov.au

Repeating, the State Emergency Service advises that there is a risk of localised flooding for the Upper and Middle Onkaparinga River which may threaten your safety.
