Time Message Issued: 09:00
Date Message Issued: 05/10/2016

FLOOD WATCH AND ACT MESSAGE

The State Emergency Service advises that heavy rain has resulted in an elevated risk of flooding in the Naracoorte Creek, which may threaten you and your family's safety.

Low lying areas along Naracoorte Creek may be impacted.

If you live or work in these locations, you should follow your Emergency Flood Plan now. You should prepare your family and home for flooding in your area. Move items of value to a safe place. If your plan is to leave, if you require time to leave or if you are not prepared, you should consider leaving now.

Only leave if you are certain that the path is clear to a safer place.

Be aware that floodwaters may rise rapidly and are likely to be fast moving. You should never walk, ride or drive through floodwater or allow children to play in or near floodwater.

To view current warnings go to the Alert SA website at www.alert.sa.gov.au

Monitor local conditions and listen to ABC radio for updates.

For SES assistance during floods phone 132 500. If the matter is life threatening call triple zero.

Repeating: the State Emergency Service advises that heavy rain has resulted in an elevated risk of flooding in the Naracoorte Creek, which may threaten you and your family's safety.
