

Event name: Langhorne Creek
Time Message Issued: 09:00
Date Message Issued: 05/10/2016

FLOOD WATCH AND ACT MESSAGE

The State Emergency Service advises that flooding in the Bremer River, including Langhorne Creek is stabilising. Although flood waters are no longer rising, significant amounts of water are still present which may threaten the safety of you and your family.

A number of roads are flooded, access to the township is limited and the public are advised to avoid the area.

Continue to follow your Emergency Flood Plan. The situation is constantly changing and you should closely monitor conditions. Be aware that floodwaters may still rise and are likely to be fast moving.

You should never walk, ride or drive through floodwater or allow children to play in or near floodwater.

To view current warnings go to the Alert SA website at www.alert.sa.gov.au

For SES assistance during a flood phone 132 500. If the matter is life threatening call triple zero.

Monitor local conditions and listen to ABC radio for updates.

For what to do in a flood check the SES website at www.ses.sa.gov.au

Repeating: the State Emergency Service advises that flooding in the Bremer River, including Langhorne Creek is stabilising.
